\*Start 8:00am for U11-U16 Programs B and C.

**Bold** dates require registration before the event and are held outside normal competition days.

See inside back cover of Handbook for Program Schedule and Events.

Times are approximate. Dates, times, programs and locations are subject to change.

**State Track and Field Championships:** Due to uncertainty of the Melbourne Grand Prix date, the State T&F Championships could be held on 11-12 March or 18-19 March, at either Lakeside Stadium or Casey Fields. There will be no competition at Knox on the Labour Day long weekend, however we may have a final non-points scoring day on 18 March if State is held the week before.
