

Knox Little Athletics Centre - Open Twilight - 10 Dec 2016

Welcome to the 2016/17 Knox Open Twilight, thanks for entering, we hope the following information will help you enjoy the day.

All Front Straight Event finals will be run at the listed FINAL time. There are unavoidable clashes between track and field events during the afternoon session, so cancelling the heat allows those affected to get to their other events. Presentations are also busy with all Field events and Circular events to get through during the afternoon.

There are separate marshalling areas for Front Straight, Circular Track, and Field events. Please marshal 15 minutes prior to the listed start time for your events. If you have a clash between a track and a field event, please advise field marshalling first that you have a clash, then report to the relevant track marshalling area. Once you have completed the track event you can go straight to the field event provided you marshalled beforehand. Alternatively, if you have time, you can go to the field event and ask to have your 3 jumps/throws together so that you can get to track marshalling on time.

Progressions from heats to finals will be posted on the south wall of the grandstand.

If you have any questions, one of our committee members will be happy to help.
