

# Knox Little Athletics Centre - Open Twilight - 22nd January 2022

Welcome to the Knox Open Twilight, thanks for entering, we hope the following information will help you enjoy the day.

There are no Call Rooms for any events - just go straight to the marshalling area indicated. Please refer to the maps around the venue if unsure where to go. Please check in 15 minutes prior to the listed start time for your events. If you have a clash between a track and a field event, please advise the field event first that you have a clash, then report to the relevant track event. Once you have completed the track event you can go straight to the field event provided you checked in beforehand. Alternatively, if you have time, go to the field event and ask to have your 3 jumps/throws at the start so that you can get to the track event on time.

There are some overlapping field events, especially where athletes have elected to compete up an age group. There will be time to complete both within the allotted time, just make sure you check in to both on time, ask to have your 3 jumps/throws at the start of one, then go to the other. High Jump should take priority over other field events, you can have your 3 jumps/throws either before or after your High Jump, just remember to check in on time.

If you have any questions, one of our committee members will be happy to help.
